BROOKLYN OFFICE

JACK B. WEINSTEIN, Senior United States District Judge:

The motion to dismiss is granted. Plaintiff released this and every other prior, related claim by stipulation of settlement on March 15, 2011. Both sides agree that the court can examine and rely on this release in deciding this motion. While there is arguably some ambiguity in the stipulation of settlement, *see* Tr. of Hr'g, Oct. 3, 2011, the public policy in favor of termination of repetitive litigation requires discouraging repeated actions based on the same type of claim involving the same actors.

No costs or disbursements.

SO ORDERED.
